"Membership in the Vail Chamber & Business Association (the Chamber) entitles any member of the Chamber who is in good standing and is a small employer group to health care coverage sponsored by the Chamber. Such coverage is available regardless of any health status-related factor of such small employer group member or individuals eligible for coverage through the member. The Chamber does not make such health care coverage available other than in connection with membership in the Chamber. Membership in the Chamber is not conditioned upon any health status related factor relating to any individual, including an employee or dependent of an employee."
